

# Frontline Supervisor Training

## Empower Your Field Crews Give Your Field Leaders the Tools to Succeed

High-performing craft workers often receive 'battlefield' promotions to field leadership roles but lack the training and skills to effectively manage their crew. Trestles, a group of construction and technology experts, will conduct a 2-day **Frontline Supervisor Development Training** program in partnership with **ABC Central Florida**. Empower your valued leaders to succeed by registering today!

### WHAT WILL MY SUPERVISORS LEARN?

Attendees will learn how to effectively manage their field crews to maximize on-the-job performance. The Trestles NCCER Certified Master Trainer incorporates industry best practices and 30 years of construction experience to this comprehensive 16-hour training course, with class materials and workbook provided by Trestles.

#### PLANNING AND SCHEDULING

*Focuses on the tools and techniques necessary to effectively plan, organize and execute a specific scope of work.*

#### LABOR MANAGEMENT AND PRODUCTIVITY

*Focuses on the tools and techniques necessary to manage the crew and assure the work is being efficiently executed.*

#### CONTINUOUS IMPROVEMENT

*Focuses on the fundamentals of continuous improvement, not as a program but as a way of thinking about and doing the work.*

#### EFFECTIVE LEADERSHIP

*Focuses on leadership, communication and feedback, helping participants confidently lead their crew to own and execute objectives of the work.*

### ABOUT THIS COURSE

*Instructed by Ken McKenzie, Director of Talent Development Services*

*Ken is a NCCER Certified Master Trainer and has over 30 years of construction experience as a craft foreman, superintendent, project manager and Director of Corporate Training. Ken spent most his career designing and delivering best in class training for ENR top 100 companies. Ken has successfully trained hundreds of project managers, project engineers, and frontline supervisors in Work Package Management, Last Planner® pull-planning, and effective leadership. Ken is very skilled at the transfer of knowledge to construction field personnel with all levels of experience.*
