

# BUILDERS' Breakfast

## New Region Partner - Mill Creek Residential

Ranked 5th largest general contractor from NMHC in 2021, Mill Creek Residential has recently joined the Central Florida Chapter and is looking forward to sharing insights on their company and upcoming projects.

### Presenter:

#### Steven Roth, Vice President of Construction

Steven brings more than 30 years of construction experience to the region after beginning his career working on public projects with Dade County Public Schools, Aviation Department, and higher education at Nova University. In the past 25 years, he has become specialized in high-rise multifamily projects, valuing up to \$260 million.
