PREMIER SPONSOR

**Join us for iBuild Invitational 2026,
a premier trades competition and
job fair for high school students
and apprentices in construction.**

The 7th Annual iBuild Invitational is an exciting construction trades competition and job fair designed for high school students and apprentice-level adults eager to launch or advance their careers in the industry.

Participants will have the opportunity to network with top local employers, showcase their skills in hands-on competitions, and celebrate their achievements at an awards ceremony.

The event will conclude with a networking lunch and an inspiring keynote speaker, making it a must-attend experience for aspiring tradespeople and industry professionals alike.
