CONSTRUCTION OUTLOOK 2027

The National Association of Minority Contractors is a national non-profit trade association established in 1969 to serve the advocacy, training, and business development needs of over 5,000 minority contractors in America.

The **NAMC Central Florida Chapter** is proud to host the **Construction Outlook 2027**, an exclusive event bringing together thought leaders and decision-makers from across all sectors of the construction industry to forecast opportunities, share insights, and shape the future of our region's built environment.
