

# Are You at Risk?

## Essential Elements of **WORKERS COMPENSATION**

**Don't wait for a claim to happen.**

There is no one-size-fits-all policy. Your business is unique and so is your coverage. This workshop will break down the fine print and the information you need to protect your employees, business, and projects.

- ▶ Most companies, no matter how small, need some sort of insurance coverage for their workers in case of accident.
- ▶ Learn how workers comp can be a positive thing for your business, and why you really do need it. This class is worth taking.
- ▶ Workers Compensation is a legal necessity for most businesses with at least one person in the construction industry.

### ABOUT THIS SESSION INSTRUCTOR

*Michelle Delaney, Sale Manager/ Insurance Advisor at LRA Insurance, provides informative and interactive training support to ABC membership companies in sharing her expertise and resources. Delaney has over 30 years of industry experience and represents a positive image of Florida's building industry with her significant contributions to the building industry and the FHBA. Delaney is recognized for her leadership positions in Greater Orlando Builders Association (GOBA) and is a long time Board member at the National Association of Home Builders, GOBA Florida Hall of Fame 2015 inductee, GOBA Associate Vice President in 2003 and again in 2011.*
