

Secure Construction

Keeping your jobsite and people safe.

Have you ever been concerned about...

Jobsite theft and inventory control?

Aggression or violent behavior?

Life or death gap (active shooter)?

Wednesday, September 28, 2022

3:00 - 5:00 p.m. (EST)

Interactive/Live Instructor in person or via Zoom

Register at abccentralflorida.com/event/secure-construction-webinar/

Joe Hileman, Executive VP of Blue-U Corporate Resources and former NH Police Detective will provide advice and practical applications to keep your jobsites and most valuable asset - *your employees* - safe and secure.

What you can expect to learn...

- What you need to provide to local authorities in the event of a theft.
- The difference between a theft and robbery.
- How to recognize signs of aggression and violence and implement de-escalation skills.
- How our natural reactions as human beings impact our ability to respond during a sudden incident of violence.

Registration: \$99 ABC Member Discount: \$79
