

# BUILDERS' Breakfast

## SUPPLY CHAIN PANEL DISCUSSION

**Construction costs may escalate  
14.1% this year!**

As recent crises disrupt supply chains, business leaders are forced to rethink standard sourcing practices such as low-cost sourcing and just-in-time manufacturing. Today's supply chain challenges demand new approaches – this panel discussion will allow conversation to flow between different sectors of materials and the leaders that service those sectors to better problem solve and serve the community in which we work.
