

FRONTLINE SUPERVISOR TRAINING

EMPOWER YOUR FIELD CREWS

Give your Upcoming and Current Leaders the Tools to Succeed

High-performing craft workers often receive 'battlefield' promotions to field leadership roles but lack the training and skills to effectively manage their crew. Trestles, a group of construction and technology experts, will conduct a 2-day Frontline Supervisor Development Training program in partnership with ABC Central Florida. Empower your valued leaders to succeed by registering today!

WHAT WILL MY SUPERVISORS LEARN?

Attendees will learn how to effectively manage their field crews to maximize on-the-job performance. The Trestles NCCER Certified Master Trainer incorporates industry best practices and 30 years of construction experience to this comprehensive 16-hour training course, with class materials and workbook provided by Trestles.

ABOUT THE INSTRUCTOR

Instructed by Ken McKenzie, Director of Talent Development Services at Trestles

Ken is a NCCER Certified Master Trainer and has over 30 years of construction experience as a craft foreman, superintendent, project manager and Director of Corporate Training. Ken spent most his career designing and delivering best in class training for ENR top 100 companies. Ken has successfully trained hundreds of project managers, project engineers, and frontline supervisors in Work Package Management, Last Planner® pull-planning, and effective leadership. Ken is very skilled at the transfer of knowledge to construction field personnel with all levels of experience.

"Frontline had a large impact on the way i approached work and communicated with the workforce. The topics were well covered, easy to digest and relateable to most day to day activities on the job. Showing me how to breakdown complex activities and schedules into simpler and more manageable tasks as well as how to be a responsible leader made the class invaluable."

—Michael Nelson, Field Operations Manager - Tri-City Electric
