

# Safety Forum: Heat Illness Prevention

**June 20, 2025  
8:00 AM - 9:30 AM**

## Stay Cool, Stay Safe: Empowering Heat Illness Prevention!

Join us for an engaging Heat Illness Prevention Safety Forum, where you'll have the unique opportunity to interact directly with an OSHA representative. Equip yourself with vital knowledge and skills to effectively manage heat-related illnesses on construction sites. As temperatures soar, the risks follow suit—discover proven strategies to keep your team both safe and productive. Key topics include recognizing early signs of heat stress, implementing preventive measures, and responding swiftly to heat emergencies.

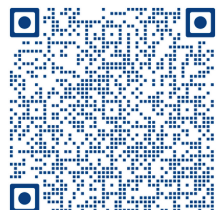

Space is limited, so register now to secure your spot and ensure your team is prepared to tackle the heat safely and efficiently. Don't miss out on this opportunity to enhance your safety protocols and protect your workforce.
