

ASK A LAWYER

LEGAL STRATEGIES FOR CONTRACTORS IN A CHANGING INDUSTRY

Presented by: John A. Hockin
Partner

**Protect your company. Strengthen
your contracts. Reduce your risk.**

The construction industry is shifting fast—new regulations, evolving jobsite challenges, contract changes, and increasing liability exposures. This session gives contractors the practical legal insight they need to stay ahead.

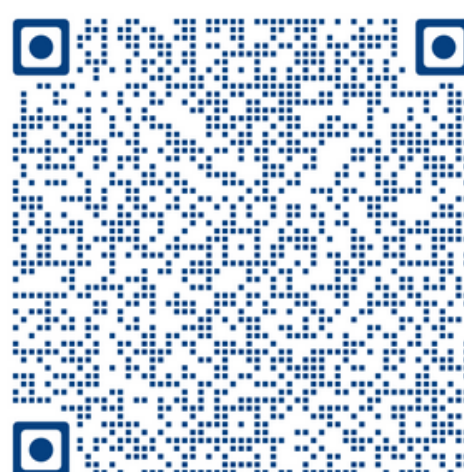

Join us for an informative, interactive class led by an experienced construction attorney who will cover:

- Key contract clauses every contractor should understand
- How to manage risk and avoid costly legal pitfalls
- Navigating compliance in today's evolving industry
- Strategies to protect your business before issues arise
- Real-world examples and open Q&A time

Who should attend:

- Owners
- Project Managers
- Supervisors
- HR Professionals
