

WE'VE PLANNED YOUR FAMILY SUMMER VACATION!

Who says legislative planning can't come with a side of sunshine and sandcastles?

The ABC of Florida State Convention in Naples isn't just where we shape our legislative priorities — it's a beachside family getaway where work meets waves. Bring the kids, pack the sunscreen, and make a weekend of it!

Friday Night: Enchanted Seas Family Feast
Enjoy great food, hit the dance floor with our DJ (mermaid tails encouraged), and try your luck at raffle prizes.

Saturday: Shell Yeah Pool Party
We'll have a private pool just for ABC members, complete with lunch, beach balls flying, and plenty of time to relax and soak up the sun. Cannonballs optional — fun guaranteed.

This annual beach convention is your chance to connect with members from all five chapters, introduce your families, and build relationships beyond the boardroom — all in beautiful Naples.

Planning the future of Florida construction never looked so fun.
